

**Free Admissions
(Senior Citizens)**

Senior citizens of the district--persons 60 years of age or older--will be given a Golden Pass on application, which shall permit them to attend all activities of the schools, including athletic events, student performances and contests, free of charge. The Golden Pass also admits senior citizens to any "open-swim" sessions at the Sandra R. Miller Swimming Pool, and allows full library privileges at Skyview High School.

The Golden Pass represents a small token of appreciation from the Board for all that the senior citizens have done for the schools over the years. It is also one of the Board's ways of encouraging the participation of this group in school programs.

Adopted: November 20, 1984

Revised: April 2001
