Mapleton Public Schools is proud to partner with Children's Hospital Colorado to bring highly qualified Nurse Consultants into our schools to assure the health and wellness needs of each and every child are met to the best of our ability. The Mapleton Public Schools' Nurse Consultants are contracted through Children's Hospital Colorado, School Health Program and work to provide a healthy and safe place for your child at school. There are 11 part-time health assistants in the School District who staff the health offices and are trained and supervised by the nurse in supporting your child's health needs at school.
