The top three shaded rows above the double line are considered new-to-career probationary level salaries.

Licensed staff may not move into shaded areas at the end of the BA, BA20, MA20 and MA40 ranges. Staff occupying the shaded cells may move horizontally within the shaded area from MA20 to MA40 with educational advancement. Shaded cells will be removed when no licensed staff remain in the cell.

Salary Ranges are based on degrees conferred and semester hours of university credit.
