

Substitute at Mapleton!

Use your valid Colorado teaching license (initial, professional, or three-year substitute license) to make a difference in your community!

Current Substitute Teacher Pay Rates:

\$120.00 per day or \$60.00 per ½ day for the first 30 full-day assignments.

- This reflects the “probationary period” for substitute teachers.

\$140.00 per day or \$70.00 per ½ day on the 31st assignment and thereafter.

- This is the regular daily rate for substitutes.

\$160.00 per day or \$80.00 per ½ day for long-term assignments.

- A long term assignment consists of an assignment that is 21 days or more (same assignment for the same teacher).
- If you start your long-term assignment during your probationary period, you will be compensated at the probationary rate of \$120.00 per day or \$60.00 per ½ day. After your probationary period, you will receive the long term rate

Mapleton Retirees as Substitutes:

We welcome and encourage our retirees to substitute in Mapleton schools! The probationary period does not apply to retirees, so your pay rates are as follows:

\$140.00 per day or \$70.00 per ½ day

\$160.00 per day or \$80.00 per ½ day for long-term assignments.

Payroll Information

Payroll is run on the 15th and at the end of each month. The district's payroll method is through direct deposit only. On the 15th and last day of each month you will receive a notice stating the net amount deposited into your account.
