In accordance with applicable State law, documentation of the following educational activities is acceptable for purposes of tracking a student's enrollment, attendance, interaction with teachers, and participation in educational activities to support student learning in any District online school or online program:

- assessment,
- orientation and induction activities,
- in-person educational instruction,
- synchronous and asynchronous Internet-based educational activities,
- field trips,
- work study,
- peer mentoring,
- concurrent enrollment, and

Documentation of these educational activities may be in addition to or as a substitute to any student management system login for the District's online schools and programs. All such documentation shall be used to determine whether the student is enrolled in a District online school or program on a part-time or full-time basis, in accordance with applicable State law.
