

Facilities Development Goals/Priority Objectives

The Board of Education (the “Board”) for Mapleton Public Schools (the “District”) believes that a quality educational program is affected to a great extent by the environment within which it functions.

The development of quality educational programs and school facilities which promote implementation of those programs go hand in hand. Therefore, it is the goal of the Board to provide and maintain District facilities necessary and sufficient based on enrollment which support the various educational programs.

Adopted January 23, 2018, by the Board of Education for Mapleton Public Schools.
