

Facilities Planning

The Board of Education (the “Board”) for Mapleton Public Schools (the “District”) believes that facilities are an integral part of instruction. Facilities represent a major investment for the District and facilities planning is an essential component of instructional planning. It is the Board's goal to plan facilities that will:

1. Efficiently house students and staff in permanent facilities that are safe and conducive to optimal teaching and learning;
2. Be appropriately located to provide optimal use during the life of the facility;
3. Provide equity in instructional opportunities for *all* students; and,
4. Reflect the value placed on instruction by the community.

Adopted January 23, 2018 by the Board of Education for Mapleton Public Schools.
