

Prioritization of Facility Improvements

The Board of Education (the “Board”) for Mapleton Public Schools (the “District”) recognizes that not all facility improvement needs have the same level of importance. Therefore, the Board directs the Superintendent to develop a process to prioritize the relative importance of each facility improvement need. The four following priority groups shall be used in prioritizing capital improvements:

Priority Group 1 - Critical projects

Priority Group 2 - Necessary projects

Priority Group 3 - Deferrable necessary projects

Priority Group 4 - Desirable projects

Adopted January 23, 2018 by the Board of Education for Mapleton Public Schools.
