

## **Regulation: Sex-Based Discrimination and Sexual Harassment Investigation Procedures (Title IX)**

Mapleton Public Schools (the “District”) is committed to maintaining a learning environment that is free from sex-based discrimination, including sexual harassment. It is a violation of policy for any staff member to harass students or for students to harass other students through conduct or communications of a sexual nature, or to retaliate against anyone that reports sex-based discrimination or harassment or participates in a harassment investigation.

### **Definitions**

For purposes of this regulation, these terms have the following meanings:

- “Complainant” means an individual who is alleged to be the target of conduct that could constitute sex-based discrimination or sexual harassment.
- “Decision Maker” means an individual(s) who assess the relevant evidence, including party and witness credibility, to decide if the District has met the burden of proof showing the respondent to be responsible for the alleged sexual harassment. The decision maker may not be the Title IX Coordinator or the investigator. The District’s decision maker is Karla Allenbach.
- “Education Program or Activity” means locations, events, or circumstances over which the District exercises substantial control over both the complainant and respondent and the context in which the sexual harassment occurs.
- “Investigator” means an individual trained to objectively evaluate the credibility of parties and witnesses, synthesize all available evidence – including both inculpatory and exculpatory evidence – and take into account the unique and complex circumstances of each situation. The investigator may be the Title IX Coordinator, but cannot be the decision maker.
- “Respondent” means an individual who has been reported to be the perpetrator of conduct that could constitute sex-based discrimination or sexual harassment.
- “Sexual Harassment” means conduct on the basis of sex that satisfies one or more of the following:
  1. A school employee conditioning education benefits on participation in unwelcome sexual conduct (i.e., quid pro quo);
  2. Unwelcome conduct that a reasonable person would determine is so

severe, pervasive, and objectively offensive that it effectively denies a person equal access to the school's education program or activity; or

3. Sexual assault, dating violence, domestic violence, or stalking.

- “Supportive Measures” mean non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, without fee or charge, to the complainant or respondent, before or after the filing of a formal complaint or where no formal complaint has been filed.
- “Title IX Coordinator” means the employee designated by a recipient to coordinate its efforts to comply with Title IX responsibilities. The District's Title IX Coordinator is:

Susan Gerhart  
8990 York Street, Denver, CO 80229

### **Filing a Complaint**

A complainant, or a parent or guardian with the legal right to act on the complainant's behalf, may file a complaint. Complaints must be filed in writing and signed by the complainant. Forms for this purpose are available on the District's website. Completed forms must be filed with the Title IX Coordinator. If a complaint form is given to a District employee, that employee will promptly forward the complaint to the Title IX Coordinator. An alternate individual will be designated in the event it is claimed that the respondent is the one who committed the alleged discrimination or some other conflict of interest exists. Complaints must be filed within 180 days of the event giving rise to the complaint or from the date the complainant could reasonably become aware of such occurrence. The complainant will receive assistance as needed in filing a complaint.

Retaliation against the complainant, respondent, or any person who filed a complaint or participated in an investigation, is prohibited. Individuals found to have engaged in retaliatory behavior will be subject to disciplinary measures.

### **Investigation**

Once a complaint is received, the Title IX Coordinator or investigator will first determine if the alleged conduct occurred in the District's education program or activity. If the alleged conduct is not part of the education program or activity, the complaint must be dismissed under these procedures. A dismissal does not prohibit the complainant from pursuing other remedies under State or Federal law or other District policy, nor does it prohibit the District from addressing the allegations in any manner the District deems appropriate.

Following this determination, the investigator will begin the investigation in a reasonably prompt manner and adhere to the following:

- The investigator must apply the “presumption of innocence” standard during the course of the investigation.
- The investigator must adhere to all timeframes. If a timeframe cannot be met, the investigator will notify the complainant, respondent, and decision maker.
- The investigator will protect the complainant from inappropriate questions and evidence about the complainant’s prior sexual history.
- The investigator must provide written notice of the allegations to the parties involved.
- The investigation may also include, but is not limited to, the following:
  - Implementation of supportive measures for both the complainant and the respondent;
  - A request for the complainant to provide a written statement regarding the nature of the complaint;
  - A request for respondent to provide a written statement;
  - A request for witnesses identified during the course of the investigation to provide a written statement;
  - Interviews of the complainant, respondent, or witnesses; and
  - Review and collection of documentation or information deemed relevant to the investigation.
- Within a reasonably prompt timeframe, the investigator must issue a report to the decision maker. After finalizing the report, the investigator will provide a copy to the complainant and respondent and will wait ten (10) days prior to providing the report to the decision maker. The investigator’s report must be advisory and must not bind the decision maker to any particular course of action or remedial measure.

## Decision

The decision maker will apply the preponderance of the evidence standard when making a decision and must notify the complainant and respondent of the decision. The decision must include a written determination regarding responsibility, explain how and why the decision maker reached the conclusions outlined in the report, and detail any disciplinary measures taken in response to the conduct. The decision in no way prejudices either the complainant or the respondent from seeking redress through State or Federal agencies, as provided in law.

### **Appeal**

The investigation is closed after the decision maker issues a decision, unless either party appeals the decision within ten (10) days by making a written request to the decision maker detailing why the decision should be reconsidered.

### **Notice and Training**

To reduce unlawful discrimination and harassment and ensure a respectful school environment, the administration is responsible for providing notice of these procedures to all District schools and departments. The policy and complaint procedures must be prominently posted on the District's website, referenced in student and employee handbooks and otherwise be made available to all students, staff, and members of the public through electronic or hard-copy distribution.

All students and District employees will receive periodic training related to recognizing and preventing sexual harassment. District employees must receive additional periodic training related to handling reports of sexual harassment. Training materials are available to the public on the District's website.
