

Funding Proposals, Grants, and Special Projects

Mapleton Public Schools (the “District”) is committed to ensuring that all of its students achieve their dreams. To that end, the District is encouraged to pursue all available sources of funding consistent with achieving the District's objectives, in accordance with this policy and accompanying regulation, DD-R: Funding Proposals, Grants, and Special Projects.

Requests to apply for supplemental grant and/or special project funds must be formally approved by the Board of Education for Mapleton Public Schools (the “Board”) prior to receiving the grant if the amount is \$50,000 or above. The Superintendent (or designee) must approve submissions under \$50,000.

Requests for supplemental grant and/or special project funds must include the objectives of the grant, sources of all revenue, any implications to the general fund, and an indication of any ongoing obligation to the District once the grant funds are expended.

Following receipt of written notification that the grant has been awarded to the District, the Board must formally approve acceptance of the funds. A line item budget must then be submitted to Business Services for inclusion in the revised and/or supplemental budget to be approved by the Board.

When federal funding is involved, compliance with DJB: Federal Procurement, DAC: Federal Fiscal Compliance, and accompanying regulations is also required.
