

Staff Bereavement Leave

Paid bereavement leave, three days for in-state or five days for out of state, will be granted to all eligible employees of Mapleton Public Schools (the “District”) in case of the death of an employee’s immediate family member (a person who is related by blood, marriage, civil union, or adoption). The superintendent or designees may approve an unpaid leave request necessitated by a death of someone other than a family member.

Employee absences which extend beyond the allocated days due to a death in the family may be charged to the employee’s sick or vacation leave, if applicable and approved.

Adopted August 24, 2021 by the Board of Education for Mapleton Public Schools.
