

Professional Staff Recruiting/Hiring

Recruiting

The Board of Education (the “Board”) for Mapleton Public Schools (the “District”) directs the Superintendent to develop and maintain a recruitment program designed to attract and hold the best possible professional personnel in the District’s schools.

It is the responsibility of the Superintendent, with the assistance of other administrators, to determine the personnel needs of the District in general, and of each individual school, and to locate suitable candidates to recommend to the Board for employment. The search for the best teachers and other professional personnel shall extend to a wide variety of educational institutions and geographical areas. It shall take into consideration the diverse characteristics of the school system and the need for staff members of various backgrounds.

Recruitment procedures shall not overlook the talents and potential of individuals already employed in the District’s schools. Any present employee of the District may apply for a position for which he/she is licensed and meets other stated requirements.

Background Checks

Prior to hiring any person, in accordance with State law, the District shall conduct background checks with the Colorado Department of Education and previous employers regarding the applicant’s fitness for employment. In all cases where credit information or reports are used in the hiring process, the District shall comply with the Fair Credit Reporting Act and applicable State law.

Hiring

There shall be no discrimination in the hiring process on the basis of race, color, creed, sex, sexual orientation (which includes transgender), genetic information, religion, national origin, ancestry, age, marital status, disability, or conditions related to pregnancy or childbirth.

All candidates shall be considered on the basis of their merits, qualifications, and the needs of the District.

All interviewing and selection procedures shall ensure that the administrator directly responsible for the work of a staff member has an opportunity to aid in the selection and that, where applicable, the school director has an opportunity to consent. Unless otherwise required by law, the final selection for nomination shall be made only by the Superintendent.

Appointment of Candidates

Nominations shall be made at meetings of the Board of Education. The vote of a majority of the Board shall be necessary to approve the appointment of teachers, administrators, or any other employee of the District. If there is a negative vote by the Board, the Superintendent shall submit a new recommendation to the Board for approval.

Upon the hiring of any employee, information required by Federal and State child support laws will be timely forwarded by the District to the appropriate agency.
