The resolution shall specify at a minimum:

- The amount of the beginning fund balance to be spent under the budget.
- The purpose for which the expenditure is needed.
- The district’s plan to ensure the use of beginning fund balance will not lead to an ongoing deficit.

General Funds: The projected beginning fund balance for the General Fund is \$6,200,677. Of this amount, \$4,546,248 is restricted as the required Board reserve amount. **12.0 DISCUSSION OF NEXT AGENDA**

Mrs. Frank said the next Board meeting will be in August and the Agenda has not yet been determined.

**13.0 SUPERINTENDENT'S COMMENTS**

Ms. Ciancio said as the year closes it's one of those times when we have closures and transitions: Carolyn Walenczak will be moving into another role, Kevin King will be moving to Boston, and Cindy Croisant is finishing on the CCAC. There will be a lot of transitions in August. We are also having a lot of visits in Mapleton again. The City of Thornton and Adams 14 Board met with our Board. We appreciate the Board's participation in those visits. Colorado Department of Education folks will be visiting this Friday and Cary Kennedy and Nancy Wilkerson in July. We are hearing a lot of change talk in Mapleton to "our district". It is a good sign that people are feeling like they belong. We thank all of you for your stewardship and liaison with other Districts. You are making a difference. There will be a lot of work going on this summer at facilities: Monterey, Welby Montessori, and the Campus (concrete work, landscaping). It's exciting to get some time off in July and get back to work in August.

**14.0 BOARD COMMITTEE UPDATE**

Mrs. Frank attended the CASB June Board meeting, lot of discussion on the upcoming legislation, campaign was just launched today. It will be in the hands of the voters. Our board will have a discussion and a resolution to follow through with that. We felt that after our meeting with District 14, that CASB should have more participation in districts that are in turn-around – helping school boards through that process.

Mrs. Hoopes reported on the Mapleton Education Foundation Sink One for Success fundraiser which had 15% more attendance than last year.

**15.0 SCHOOL BOARD REMARKS**

Mrs. Frank said that she appreciates the Board's participation in the dinners with City of Thornton and Adams 14 School Board.

**16.0 NEXT MEETING NOTIFICATION**

**POLICY:** Authority and Duties of the Superintendent, Policy CBA  
**REPORT TYPE:** Decision Making  
**SUBJECT:** REFINANCING OF GENERAL OBLIGATION DEBT

---

**Policy Wording:** The Superintendent shall provide for overall management of the District's financial activities and take appropriate action to assure that expenses are kept within the approved budgetary and appropriation limits of the District.

**Policy Interpretation:** This policy is interpreted as requiring District administration to seek Board approval for the refunding of the District's general obligation bonded debt.

**Decision Requested:** District administration is recommending approval of the refunding of the 2003 general obligation bonded debt up to \$5,860,000, including permission to enter into a rate-lock agreement, if needed.

**Report:** With recent historically low municipal bond rates, a refinancing of the 2003 general obligation bonded debt could save the District's taxpayers approximately \$512,103, or 8.58%, by refinancing the bonds at a lower interest rate. The Government Finance Officers Association (GFOA) recommends that a present-value savings of 3% of the refunded par amount should be an issuer's target to make a refinancing worthwhile.

Refinancing would allow the District to refinance the District's 2003 bonds, which bear interest rates of 3.75% to 5.00%, with new bonds that range from 0.35% to 1.31%. After reviewing bids from both George K. Baum & Company (G.K. Baum) and Wells Fargo, G.K. Baum offered the lower interest rate and is, therefore, recommended to sell the new bonds.

G.K. Baum would sell the bonds for the District with the proceeds of the new bond issues to be placed in an escrow account. Those funds would then be invested in U.S. Government securities making payments on the old bonds until their call date in December, 2013. At that point, with the old bonds paid off, the District would continue making lower payments on the refinanced bonds. The principal balance to be refinanced will be up to \$5,860,000.

All of the savings described above are inclusive of the bond fees and expenses. All payments to G.K. Baum (estimated at \$29,300) and the attorneys at Sherman and Howard (estimated at \$30,000), as well as various other standard transaction fees, are paid from the sale of the bonds. This will result in no out-of-pocket cost to the District.

Sherman and Howard will assist the District in securing an updated bond rating, and G.K. Baum will continue to watch the market closely to determine the best time to lock on a

competitive interest rate. Should the interest rates rise before the District can complete the refunding, they will monitor the market until such time that the rates improve.

The District is asking the Board for approval to move forward with the preparations necessary to facilitate the refunding, including permission to enter into a rate lock agreement, should it appear that interest rates are on the rise.

**Policy: Purchasing/Purchasing Authority, Policy DJ/DJA**  
**Report Type: Information Only**  
**SUBJECT: Transportation Equipment Financing**

---

**Policy Wording:** The Board's authority for the purchase of materials, equipment, supplies and services is extended to the superintendent ...

**Policy Interpretation:** This policy is interpreted as requiring District administration to inform the Board when the District enters into multi-year leasing agreements.

**Decision Requested:** Information only report, no decision is needed.

The District was able to acquire three previously owned busses during the 2013 summer months prior to the beginning of the academic year. Each bus was inspected and acquired separately meeting the requirements set by Board Policy DJE – Bidding Procedures. Although the funds are appropriated in the General Fund for capital purposes, District administration determined that entering into a low interest lease agreement allows for more flexibility while year-to-year budgets are tight.

A lease will be executed between Mapleton Public Schools and Wells Fargo Equipment Finance Inc. The lease will hold a three-year term with an annual interest rate of 2.98% with the first payment due on December 1, 2013. The lease will be paid using the annual budget for capital expenditures.

Lease contracts are being prepared and will be reviewed by District legal counsel. Administration will bring final documents for Board approval.
