Mr. Crawford reported that ballot measures 3A, a mill levy override, and 3B, a bond question, had been presented to Mapleton voters during the November 8, 2016, election. He noted the District had been notified by the Adams County Clerk and Recorder that both measures had passed – with Measure 3A receiving 54.76% of the vote and Measure 3B receiving 50.38% of the vote.

Mr. Crawford went on to say the revenue increases would be phased in over a period of three years and would be used to provide quality learning environments and experiences for the next several generations of Mapleton students.

10.2 Board Policy BEAA Second Reading

Ms. Ciancio explained that Policy BEAA Electronic Participation in School Board Meetings had been drafted by the District's legal counsel and reviewed by District staff. She said the policy had been presented to the Board for a first reading at the October 25, 2016, Board meeting and, pending no revisions, was being brought before the Board that evening for final approval and adoption.

MOTION: By Mr. Donnell, seconded by Mr. Croisant, to adopt Board Policy BEAA Electronic Participation in School Board Meetings as presented.

AYES: Ms. Croisant, Mr. Donnell, Ms. Montoya, and Mr. Winslow
Motion carried 4-0

Mr. Winslow and Ms. Croisant acknowledged it was good to have this policy in place if needed, but cautioned that it be used judiciously and not become standard practice.

11.0 FOCUS: STUDENT ACHIEVEMENT

11.1 Student Enrollment Report

Mr. Fuller explained that each fall, Colorado school districts conducted official student enrollment counts during a window of time centered on October 1st. He explained the annual October count was used by the State and the District for planning and funding purposes.

During his report, Mr. Fuller reviewed specific District enrollment information, including differences between this year and last, enrollment by school, demographic breakdown,

percentage of students classified as English Language Learners, percentage of students in the special education program, and percentage of students participating in the free and reduced lunch program.

In summary, Mr. Fuller noted:

- District enrollment had increased this year.
- Colorado Connections Academy represented 27% of Mapleton students.
- Nearly 1 in 4 students (1 in 3 for Mapleton boundary schools) were identified as English Language Learners not yet fluent in English.

The Board thanked Mr. Fuller for his report.

A copy of Mr. Fuller's presentation is included with these minutes.

12.0 FOCUS: COMMUNICATION

12.1 Grant Acceptance – 2016 BEST

Mr. Crawford explained that during the spring of 2016, the District had submitted two grant applications to the State of Colorado Building Excellent Schools Today (BEST) program, one of which (Adventure Elementary School) was selected for funding contingent upon matching funds being made available by Mapleton voters through a successful bond election.

He noted that with the successful passage of measure 3B in the November 8, 2016, election, nearly \$13 million could be directed to the Adventure Elementary project, thus providing the matching funds needed to accept the BEST grant.

MOTION: By Ms. Montoya, seconded by Ms. Croisant, to accept \$6,653,736.74 from Building Excellent Schools Today to support the construction of Adventure Elementary School and to authorize the Superintendent to sign the Grant Agreement with the Colorado Department of Education.

AYES: Ms. Croisant, Mr. Donnell, Ms. Montoya, and Mr. Winslow
Motion carried 4-0

12.2 Thornton IGA Joint Use of Facilities

Mr. Crawford noted the Board was being asked to approve a new Intergovernmental Agreement with the City of Thornton to allow for the Joint use of District and City facilities. He explained the new agreement provided more clarity regarding which facilities were subject to the agreement and was more descriptive regarding what services were to be provided by each party.

MOTION: By Mr. Donnell, seconded by Ms. Montoya, to approve the Intergovernmental Agreement with the City of Thornton for Joint Use of Facilities as presented.

AYES: Ms. Croisant, Mr. Donnell, Ms. Montoya, and Mr. Winslow
Motion carried 4-0

12.3 Thornton IGA Payment of Water Fees

Mr. Crawford also asked that the Board approve a new Intergovernmental Agreement with the City of Thornton to establish the conditions for payment of water tap fees. He noted

that when the Joint Use Agreement with the City was renegotiated, the parties agreed to address the payment of water tap fees in a new, separate agreement.

MOTION: By Ms. Montoya, seconded by Ms. Croisant, to approve the Intergovernmental Agreement with the City of Thornton for Payment of Water Fees as presented.

AYES: Ms. Croisant, Mr. Donnell, Ms. Montoya, and Mr. Winslow
Motion carried 4-0

During discussion, it was noted that under the prior agreement with the City of Thornton, water fees was a deferred payment. Under this new arrangement, water fees would be paid upfront through a separate Intergovernmental Agreement.

12.4 Draft Audit Report

Mrs. Martinez noted that Local Governmental Audit Law required Colorado local governments to have an annual audit of their financial statements, to be performed by an independent certified public accountant in accordance with generally accepted auditing standards.

She went on to say the District's independent auditor, RubinBrown, LLP, had prepared a draft audit for review by the Board of Education, with formal presentation of the audit findings to be presented at the December 13, 2016, Board meeting.

13.0 DISCUSSION OF NEXT AGENDA

Mr. Winslow said the December 13 Board meeting would include a District audit report and mill levy certification.

14.0 SUPERINTENDENT'S COMMENTS

During her report, Ms. Ciancio

- Noted that at a Board retreat earlier in the year, the Board and executive team had been challenged to take bold actions, as now evidenced by the successful passage of the District 's mill levy override and bond measure. She went on to say there was exciting work ahead and gave each Board member an apron to help them "get cookin'."
- Said students and staff had enjoyed a great week off during the Thanksgiving holiday.
- Reported the Board would begin work on the selection of contractors and architects for District building projects.

15.0 BOARD COMMITTEE UPDATE

Ms. Croisant reported the Rocky Mountain Risk (RMR) group had gone through a clean audit and was finished with the issues involving District 14. She noted there would not be a December RMR meeting.

Mr. Donnell said the Mapleton Education Foundation (MEF) was reviewing what had worked well during the recent gala and what could be improved.

16.0 SCHOOL BOARD DISCUSSION / REMARKS

Mr. Winslow announced the Board of Education would hold a special meeting on Thursday, December 22, 2016, at 9:00 a.m. in the Admin Boardroom to consider contractors for the Adventure Elementary School and Global campus projects.

Mr. Winslow also thanked all those who had helped with the election campaign, noting he was grateful for the support of the community and excited about the direction the District was headed.

Ms. Montoya said she was excited to be a part of this work, saying it was good to be able to give back and see it all come together.

Memorandum

TO: Charlotte Ciancio, Superintendent
FROM: Shae Martinez, Chief Financial Officer
DATE: December 13, 2016

Policy: Financial Administration, Policy DAB
Report Type: Decision Preparation
SUBJECT: Mill Levy Certification FY 2017

Policy Wording: With respect to the actual, ongoing financial condition and activities of Mapleton Public Schools, the Superintendent shall not cause or allow fiscal jeopardy or a material deviation from the annual budget or any budget policies adopted by the Board of Education for Mapleton Public Schools, or any fiscal condition that is inconsistent with achieving the District's objectives.

Policy Interpretation: The District will not fail to certify the mill levies for property tax on or before December 15th of each year.

Report: Attached are the two separate mill levy certifications we are required to complete and submit to Adams county and state of Colorado on or before December 15th of each year.

The levy for the District General Fund totals 36.739 mills; the levy for the Bond Redemption Fund totals 21.139 mills, for a total district mill levy of 57.878.

The Adopted Budget for the District was based on a projected assessed valuation of \$501,791,060 provided by the Department of Education. The actual assessed valuation as certified by the county assessor was \$569,244,410.

The Colorado Department of Education determines all mill levy figures. Under state law and recent court interpretations, the District may not adjust any of the figures provided by the state. The District does, however, determine the bond fund mill levy, as these funds are provided by local taxpayers. This mill levy is set based on the projected bond payments, interest and fees scheduled for the fiscal year, as we have not yet sold the bonds.

Upon certification by the Board of Education, the total general fund mill levy of 36.739 and bond fund mill levy of 21.139 will be assessed on all District property owners beginning January 1, 2017.

The District is always concerned about the impact of property tax rates on our residents and business owners. The chart below shows a multi-year history of the District's mill levy:

The total school district mill levy increased by 12.249 mills from FY 2016 due to the passage of ballot measures 3A and 3B on the November ballot. 12.028 of the mill increase was related to the bonded debt, with only .654 related to the mill-levy override increase. The voters approved an initial increase of \$1,000,000 followed by a gradual increase of \$1,000,000 per year for the following two years. After that the mill-levy will be assessed at \$3,000,000 annually. The increase in the assessed value of the X-cel Energy plant helped to relieve some of the residential mill increase overall. State law allows school districts to levy additional mills to collect abated taxes, and to adjust override and bond mill levies to keep the dollar value constant.

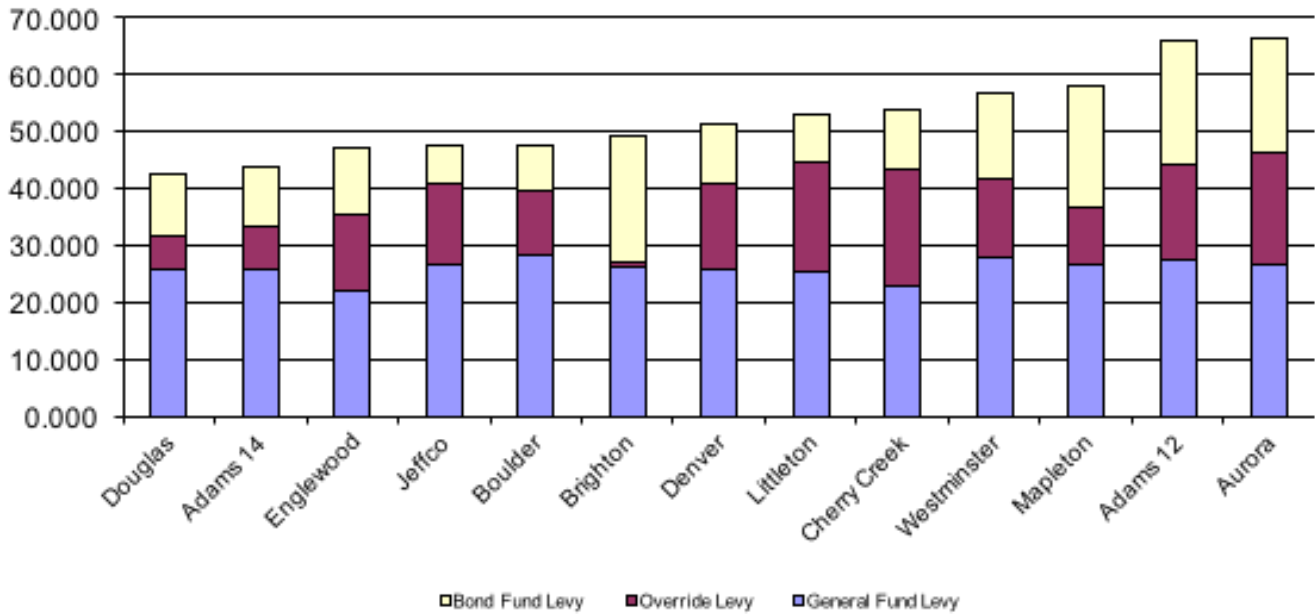

The impact on district property owners is illustrated in this chart:

The annual tax per \$100,000 in home value was at its lowest of \$23.78 per month in fiscal year 2009 before the passage of the 2009 mill levy override and 2010 bond. The current monthly tax per \$100,000 of home value is now \$38.39. This is an increase of \$8.12 per month over last year.

Finally, it's important to compare Mapleton's levies to those of surrounding districts:

Estimated Mill Levies by District FY 2016-17

Annual Property Tax per \$100K FY 2016-17

These levies are estimates based on the latest CDE figures – most districts are like us, certifying their mill levies at this meeting in December. Boulder, Denver, Cherry Creek, Adams 12, and Aurora, have all passed bond elections, but have not yet reported their mills to CDE. Mapleton’s are

reported on this chart, so we are not necessarily the third highest mill levy in the metro area. Because we were aggressive with our plan and our district is smaller and does not have as much land wealth as some of the other metro area districts, we will have a higher mill rate than some.

Recommendation: District administration recommends that the Board of Education adopt the General Fund mill levy of 36.739 mills; and the Bond Redemption Fund mill levy of 21.139 mills; for a total levy of 57.878.

Policy: Bidding Procedures, Policy DJE
Report Type: Decision Making
SUBJECT: Consideration of Architect Selection for Welby Community School Addition

Policy Wording: All contractual services, professional services, and purchases of supplies, materials, and equipment in the amount of \$50,000 or more shall be put to bid. With regard to materials or services for which bids are required, the Superintendent (or designee) shall develop a procedure to pre-qualify bidders. The Board reserves the right to reject any or all bids and to accept that bid which appears to be in the best interest of the District.

Policy Interpretation: This policy is interpreted to require Board approval for significant contracts related to capital construction.

Decision Requested: District administration is recommending the selection of Humphries Poli Architects to serve as the architect/design firm for the gymnasium and classroom addition at Welby Community School.

Report: In early November 2016, District administration worked with NV5, as owner's representative, to issue a Request for Qualifications related to the Welby project. On November 9, approximately twelve companies participated in a tour of the facility and an orientation to the project. Of those, five provided written responses to the Request by the established deadline of November 23rd. A selection committee met to discuss the merits of each response and created a short list of three finalists. On December 12th, the selection committee heard presentations and asked questions of the three finalists.

The recommendation of the selection committee is to award the architecture and design contract to Humphries Poli Architects. District administration recommends authorizing the Superintendent to enter into a contract with Humphries Poli following successful contract negotiations. The committee was impressed by the firm's relevant experience, their references, and their anticipated approach to the Welby project. District administration looks forward to this new professional relationship.

SUBJECT: 2016-17 DAAC Update

Policy Wording: In accordance with State law, the Board shall appoint a School District Accountability Committee. The District Accountability Advisory Committee (DAAC) shall have those powers and duties prescribed by State law. The Board and the DAAC shall, at least annually, cooperatively determine the areas of study, in addition to budget preparation, that the DAAC shall provide input, and on which it may make recommendations to the Board.

Decision Requested: District administration and the DAAC Co-Chair are providing this report for information only. No decision is requested this evening.

Report: In December, 21 members of the DAAC convened to review the Attendance Dashboard for October, learn about enrollment and demographic trends in the district and review the district Wellness policy. Comments and feedback were collected from the DAAC team members on each of these items.

The next DAAC meeting will be held on January 17, 2017, from 4:30 to 6:00 P.M. in the Board Room. The focus of the January meeting will be to continue the review of the Wellness policy and review attendance data as part of the District Attendance Initiative. Additional meeting dates will be added when DAAC participants request additional time to understand and comment on specific topics.
